Dear Friends,

I am pleased to have the opportunity to send greetings to each of you attending the 50th Anniversary Celebration hosted by The Association for Operations Management's New York City and Long Island Chapter.

I am grateful for organizations like The Association for Operations Management (APICS NYC/LI) that educate and create a network for professional men and women in Long Island. By providing networking opportunities, educational programs, and extensive resources, you are helping professional men and women take advantage of opportunities that are available to them. It is my hope that your work serves as an example of the positive contributions an individual can make to his or her profession, community and country.

I send my congratulations and best wishes for continued success.

Sincerely,

Kirsten E. Gillibrand
